

USJF LIFE MEMBER & PRESIDENT'S CLUB LIFE MEMBER DIRECTORY

The following is a directory of our Life Members (LM) and President's Club Life Members (PCLM). Over the years, the monies from the LM and PCLM fees paid and the donations made by these individuals have helped our Endowment Trust Fund to grow. We are very pleased to report that our endowment is now in excess of one-half of one million dollars (over \$500,000.00).

Funds from each person's LM or PCLM fees and/or donations adds to our Endowment Trust Fund and becomes permanently protected. The earnings from the endowment are used for development programs. In addition to the benefits each individual receives from their LF or PCLM membership status, the greatest benefit is the satisfaction that comes from the realization of an opportunity to provide everlasting support for Judo, the USJF, and our present and future Judoka. We encourage you to join this elite group of individuals. Please visit our website or contact the National Office for information about current benefits and an application form.

This listing includes the individual's full name, LM number or PCLM number, and the date of their membership. Unfortunately, many of our older records did not capture the membership date. Consequently, those records will not display a date for those individuals. An asterisk "*" appears after the names of our honored members who have passed away. If there are any discrepancies, corrections, or updated information for this listing, please do not hesitate to contact the USJF National Office.
